

Dear Parents and Carers,

It has been another exciting and successful week at Field Road Academy. We have been delighted to see strong attendance across the school, with pupils continuing to demonstrate a positive attitude towards learning. Children have enjoyed a wide range of practical and engaging lessons, bringing learning to life both inside and outside the classroom. Our Year 3 pupils are settling into their new environment wonderfully and are becoming increasingly confident as they embrace the routines and opportunities of academy life. Rufus has certainly been busy this week, enjoying the chance to reward pupils with lots of prizes, stickers, stamps and even a few well-earned Rufus Resets! We are incredibly proud of all that our pupils have achieved so far and look forward to building on this success throughout what promises to be a fantastic term ahead.

Congratulations to

Cadbury

who have won the cup for the best attendance
this week!

Did you know...once a child has 19 days off school, they do not come out of the persistently absent category for the rest of the academic year?

Please ensure that you contact school for each day your child is absent. Medical evidence is sought for pupils who are 90% attendance and below.

A huge well done to all of our pupils and families
for supporting excellent attendance this week.

CONGRATULATIONS!
This is a fantastic achievement and
shows our commitment to being in school,
learning and achieving every day.

EXCITING NEWS!
Children are currently working with
our House Captains to develop even
more attendance prizes and rewards.

Classroom Focus - Year 5

This week, Year 5 have enjoyed the launch of their creative curriculum, 'The Ancient Egyptians'. We have created water colour sunsets and silhouettes in art, to display on our Egyptian board for everyone to see. We have also started reading our class text, 'There's a Boy in the Girl's Bathroom' and have written some fantastic diary entries based on Bradley Chalkers and Jeff Fishkin!

In PSHE, we have been learning how to work as a team to produce the tallest tower out of a limited amount of resources. This was lots of fun and everyone worked well together.

We have all had a wonderful start to Year 5 and we are excited for the year ahead.
